"I SPEND A \$1 ON RAT-SNAP and SAVED THE PRICE OF A HOG." James McGuire, famous Hog Raiser of New Jersey says, "I advise every farmer troubled with rats to use RAT-SNAP. Tried everything to get rid of rats. Spent \$1 on RAT-SNAP. Figured rats it killed saved the price of a hog." RAT-SNAP comes in cake form. No mixing with other food. Cats and dogs won't touch it. Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by M. P. Bailey, Quarles & McCawley, Anderson & Haile, Gainesboro.

We use to think that a newspaper that advertised "piano for sale by a lady with mahogany legs" took the prize, but it has nothing on the bank clerk who asked the distributor for a check book for a lady that folds over.

'Royal Cord' 'Nobby' 'Chain' 'Usco' 'Platin'

See the big Nobs

The 'Nobby' is a big rough husky fellow. The tire they are all talking about.

A great road gripper—a sure enough non-skidder and non-slipper.

Makes easier riding and easier driving. More safety, more comfort—more mileage.

'Nobby' is a United States Tire, —which means none better. Just right for our roads.

Wilson is the only county in the State in which there is a co-operative creamery, a cow testing association, and a bull association.

COULD HARDLY STAND ALONE

Terrible Suffering From Headache, Stomach, Backache, and Weakness, Relieved by Cardui, Says This Young Lady.

Greenville, S. C.—Miss Minnie Pitt got, of this place, writes: "Five years ago I was taken with a pain in my left side. It was right under my left rib. It would commence with an aching and extend up into my left shoulder and on down into my back. By that time the pain would be so severe I would have to take to bed, and suffered usually about three days. I suffered this way for three years, and got to be a mere skeleton and was so weak I could hardly stand alone. Was not able to go anywhere and had to let my house work go. I suffered awful with a pain in my back and I had the headache all the time. I just was unable to do a thing. My life was a misery, my stomach got in an awful condition, caused from taking so much medicine. I suffered so much pain. I had just about given up all hopes of our getting anything to help me.

One day a Birthday Almanac was thrown in my yard. After reading its testimonials I decided to try Cardui, and am so thankful that I did, for I began to improve when on the second bottle. I am now a well woman and feeling fine and the cure has been permanent for it has been two years since my awful bad health. I will always praise and recommend Cardui," says Cardui today.

ty are as proud of their record as Blount County agriculturists are that theirs is the greatest Aberdeen-Angus county south of the Ohio river.

Recently in Wilson County a get-together picnic was held at which the spirit of co-operation was greatly, boosted. About 1,000 splendid farmers and dairymen attended.

Farmers of this county realize that successful dairying is accomplished only when the cycle is completed as they have completed theirs. The bull association is necessary to guarantee that first-class sires shall always be available, the cow-testing association is essential as a medium thru which unprofitable cows shall be eliminated, and the co-operative creamery is needed, in order that a higher grade of butter may be made, and higher price therefore procured for it.

Fairs, fairs, fairs, everywhere.

"More community fairs than ever in Tennessee," is the opinion of all of those who have observed them.

Almost every county and home demonstration agent reports either one community or county fair.

"I have been boosting for community exhibits at the fair," writes Mary B. McGowan, of Shelby county.

"At Grassland, Sumner County, near Franklin, we talked about community exhibits to be made at the fair," says Kate M. Wells, district agent.

"Outlook for the fair is bright," writes Mabel Moore, home demonstration agent for Greene County.

Thruout the whole list of specialists and demonstration agents, runs the same optimistic note for successful fairs this year.

COALINGA, CALIF.

Coalinga, Calif.

Health is good around here. Everybody is working that wants to. Times are very good here now, but my advice is all the hard-heads to stay at home.

Robert Allen and Pat Murphy were seen on the side walks of Coalinga one night last week. Pat said he would be good when uncle sends after him.

John Hamilton and wife, Fowler Loftis and wife were in Coalinga recently.

Bob Reid says he is going where he can hear Martha's gentle voice calling hogs.

Say, J. C. C. come on, as we would like to see you out here in this beautiful desert. Guess it would look quite different from John Lee's farm.

Say, Lill how is school at Gentry's academy.

Wonder if Hugh Berry has

worked the road up Long branch yet.

Pasco Swearingem and wife have returned from a 2 weeks vacation in the mountains.

A. L. Lee and Bert Day went deer hunting last week.

Say, Andrew Lynn you had better stay at home, if intend to have a good time

Who said Marion Murphy was still wearing his tag that his uncle, Will Murphy tied on him when he started him from Nashville.

Come on Slicker Snake and give us the news. Also Gainesboro R-1.
